

## Lethbridge Park- Timeline

Before the settlement of New South Wales by Europeans, the Blacktown district was inhabited by the Darug Aboriginal people, who are the traditional owners and ongoing custodians of the land. We pay our respect to elders past and present, and acknowledge the Aboriginal people for their custodianship of the land.

Lethbridge Park is named after the Lethbridge family. Robert Copeland Lethbridge settled at Werrington on a land grant made on 1 January 1806. Streets are named after Pacific Islands and towns.
