

## Tregear - Timeline

Before the settlement of New South Wales by Europeans, the Blacktown district was inhabited by the Darug Aboriginal people, who are the traditional owners and ongoing custodians of the land. We pay our respect to elders past and present, and acknowledge the Aboriginal people for their custodianship of the land.

Named after a village in Devon, England, the family home of Robert Copeland Lethbridge.

Tregear was part of the Mount Druitt area. For a more detailed history before 1968, please see the Mount Druitt district timeline.
