Significance

Statement Of Significance <p>The Colyton School house is of historic significance as an early example of a school master residence remaining with the school, and as an early expression of the arrival of Public Schooling in NSW.</p> Criteria a) <p>Historical Significance</p> <p>The School House at Colyton is of historic significance to Blacktown as one of the early School houses in the district of Mt Druitt. The School house relates to a period early in the establishment of public schooling in NSW and has significance as a remaining typical school masters cottage from that era.</p> Criteria c) <p>Aesthetic/Technical Significance</p> <p>The School Masters cottage is a typical mid Victorian School Masters house of a typology constructed by the Department of Education in establishing Public schools throughout NSW from 1879 onwards.</p> <p>The school at Colyton was the second school in the area, with the first school closer to Ropes Creek being commenced in 1863.</p> Criteria f) <p>Rarity</p> <p>School houses remaining in association with their early schools are rare throughout NSW, and there are few remaining in Blacktown.</p> Integrity/Intactness <p>High - exterior, garden and potentially interior.</p>

History

Historical Notes or Provenance	Updated
The school house appears to have been built in the late Victorian era and is a typical school cottage of the period.	
The School was moved to the current site in 1881 and appears on the 1881 subdivision maps for the area. The School masters house is likely to date from the same period.
