Significance

Statement Of Significance

The surrounding area is of historical significance to St. Marys because of its associaiton with the early saw mills and saleyards (Fox * Associates 1987, p. SM-5).

Description

Designer

Builder/Maker

Physical Description

Updated

The parcels office is a simple brick feating semicircular window arches, and heavy timber doors and lintels The buildings which represent the development of the station in the late 19th - early 20th century are the waiting room to the central platform and the parcels office. Both are simple brick buildings, but the latter features semicircular window arches, and heavy timber doors and lintels (Fox * Associates 1987, p. SM-5).
