

## Kingswood Park – Timeline

Kingswood Park is a neighbourhood of Kingswood. Its neighbourhood status was given in early 1976, as the area had developed considerably during the 1960s with the opening of several housing estates. The area is bounded by Coreen Avenue, Arakoon Avenue, Illawong Avenue, Andrews Road and Parker Street. The name Kingswood Park is an extension of the suburban place name, Kingswood, and was created to name expanding residential development in the area.
